AN EXTRAORDINARY OFFER.
There are a number of persons out of employment in every county—yet energetic men willing to work do not need to be. Those willing to work can make from \$100 to \$500 a month clear, working for us in pleasant and permanent business. The amount our agents make varies, some make as high as \$500 a month while others as low as \$100, all depending upon the energy of the agent. We have an article of great merit. It should be sold to every householder, and pays over 100 per cent. profit. Each sale is from \$3.50 to \$10.00. One agent in Pennsylvania sold \$2 in two days, and cleared \$64.00. An agent in New York cleared \$35.00 in one day. Any man with energy enough to work a full day, and will do this during the year can make from \$2,000 to \$6,000 a year. We only want one man in each county, and to him we will give the exclusive sale as long as he continues to work faithfully for us. There is no competition, and nothing like our invention made. Parties having from \$200 to \$1,000 on investment can obtain a general agency for ten counties or a State. Any one can make an investment of from \$25 to \$1,000 without the least risk of loss, as our circulars will show that those investing \$25 can after a 30 days trial return the goods unsold to us and get their money back, if they do not clear at least \$7.50 in that time. There are many persons having money to invest, who could not get the business personal attention—such can employ sub-agents with out leaving home—making a large amount yearly out of a very small investment; we are not paying salaries, but want men willing to work and obtain as their pay the profits of their energy. Men not willing to work on our terms will not work on ours. Those possessing business will receive our large descriptive circular, and extraordinary offer by enclosing a three-cent stamp, with their address. The first to comply with our terms will secure the county or counties they may wish to work. Address
